हरमिलापी गीत

हरमिलापी बनकर दुनिया में सदा गुज़रान कर ।
दिल किसी का मत दुःखा, हर में हरि पहचान कर ।।
परम पिता परमात्मा की हम सभी संतान हैं ।
ना कोई छोटा बड़ा है, व्यर्थ न अभिमान कर ।।
ना कोई अपना बेगाना, प्राणिमात्र से प्यार हो ।
सेवा दुःखियों की करो कर्तव्य अपना मानकर ।।
सेवा, सुमिरन, सादगी, सत्संग, संयम भी करो ।
ईर्ष्या-द्वेष को दूर हटा, हर एक का सम्मान कर ।।
हृदय में राम, वाणी में नाम, हाथों में तेरे काम हो ।
कथनी-करनी हो एक सी, रत्न विद्या दान कर ।।
माता-पिता गुरुदेव की सेवा देश की अनिवार्य है ।
है यही हरमिलाप मिशन जन-जन का तू कल्याण कर ।।

हरमिलाप मिशन का उद्देश्य

विद्या एक ऐसा धन है जिसे चोर चुरा नहीं सकता है ।
इसका जितना लाभ उठाएँगे, उतना ही विकास होगा ।।

एक बनो नेक बनो
एक बनोगे तो एकता अखण्डता आएगी ।
नेक बनोगे तो विवेक, नैतिकता आएगी ।।

प्राणिमात्र की सेवा ही प्रभु की सच्ची सेवा है ।
हर एक से मिलाप ही हरमिलाप है ।।

हो सके तो दूसरों की भलाई करो ।
अगर भलाई न हो सके तो किसी की भी बुराई न करो ।।

Message from the MANAGER

"We want education by which character is formed, strength of mind is increased, the intellect is expanded and by which one can stand on one's feet" – Swami Vivekananda

It is always a pleasure to share our joys, our achievements, our successes, our thoughts with you. Quest for knowledge is unending and the seeds of enquiry are nurtured in the school, looking at the strides the school has taken and the milestones achieved thereof. This fills my heart with pride and elation of a gardener whose seeds have sprouted and beaming petals have unveiled.

"All our dreams can come true if we have the courage to pursue them" - Walt Disney

As a pivotal Centre of educational excellence, HMS has always responded proactively to all educational challenges and opportunities alike continually refurbishing its learning strategies and goals, enabling students to understand and act on issues of global significance and develop competence to investigate the world beyond their immediate environment.

Over the recent years all approaches to educational reforms in HMS have been thoughtfully planned to foster academic content and skill development. We infuse the 4Cs - of critical thinking, communication, collaboration and creativity in all our educational practices, enabling our students to better meet the dynamics of a global work environment.

We have a talented, dedicated and caring team of staff, each of whom works very hard to ensure that the abilities of the children in our care are nurtured and carefully developed. I pray to Almighty that the school scales new heights in the coming years and shines in the galaxy of glory and fame. Let us look back with pride and move forward with enthusiasm.

Message from the PRINCIPAL

"Education is not preparation of life, education is life itself." -John Dewey

We affirm that education begins at birth and continues throughout life. Our complete focus is to provide a support centre to our children so they continue learning and developing towards becoming whole and healthy individuals. We work with the core belief that wisdom can be cultivated gradually amongst all individuals. It is not enough to make children literate and academically intelligent what is more important is to make them wise so that they are able to use their intelligence judiciously.

We believe that true wisdom is the ability to listen to your heart and that each child's self-esteem, dignity, physical and emotional wellbeing must be cultivated with the same importance as that given to academic and material success. The educational needs of today are very different from those of the past because of growing competition and with the progress of science and technology. The students must be equipped with the skills required to face the challenges of future. They can do it easily if we can make the surrounding stimulating and purposeful.

The school therefore has undertaken a great leap in integrating information and communication technology into the class room teaching and learning process.

Our school is constantly scaling new heights with excellent professionals, training our children in a range of co-curricular activities so that they evolve as excellent individuals who have honed their skills in the microcosm of the school and are equipped to lead and inspire in the microcosm of the world.

I take this opportunity to thank all the parents who have reposed their faith in our school. We assure to do our very best always.

The school always tries its best to maintain the highest quality academic standard and provide the wonderful environment for studies.
